Final Bargaining Report CWA District 9
CWA & AT&T 2020-2024
A Message from Your District Vice President and Your Elected Bargaining Committees

Dear CWA District 9 Brothers and Sisters:

Prior to expiration of our current Collective Bargaining Agreement your elected Bargaining Committee has reached a tentative agreement during unprecedented conditions.

Your elected Bargaining Team worked diligently to get every cent and every improvement possible at the table under the circumstances. Together we fought back against the following and we were successful: Capping of Article 8 Table, mandatory branded apparel for all customer facing employees, reduction of illness (paid) absence time, reduction of disability benefits, increased cost share for medical, increase to $5000 de minimis threshold for GIIT, increased monitoring and recording of calls in call centers, reduction of B-Help support and zero improvements for Appendix E members.

Based on the surveys that were returned from the membership, your elected bargaining team worked tirelessly to achieve an agreement that would be beneficial to all employees. The highlights of what was achieved are below.

1. Employment Security: Article 2 and Article 8 were maintained, VSB language was improved, pooling MOA was maintained. One hundred (100) jobs will be placed in AUTS. Additional improvements to Appendix E, layoff table was increased by two (2) weeks to a maximum of eight weeks, 18 months access to AUTS was added for layoffs, increased layoff notification to 4 weeks and improved priority rehire language to include any title in the CBA.

2. Wages: 10.75% increase exponentially to all titles, compounded to 11.19%.

3. Benefits: Maintained medical, dental, vision at current cost share. 2016 new hires will now be considered “current” employees for medical bringing them from a 32% cost share to 29%. Retained the SSP and 401K.

4. Working conditions: COBC clarification letter, safety letter, improved meal allowance to $10, eliminated split workdays in Appendix E, OT list for Appendix E will be provided to the locals monthly, current overtime rules maintained.

5. Other Goals and comments: Retained Horizons, added Nanodegrees, flights added to exploratory trips and we maintained neutrality and card check along with Successorship language.

Out of the top 21 items on the survey the following is a summary:

1. Base wage increase achieved.
2. Protect Healthcare achieved.
3. Retain 401K achieved.
4. Job security retained and limited improvements.

Benefit Changes for Current Retirees

No improvements. Your Union Bargaining Committee requested to bargain for current retirees, but AT&T was very consistent with their response that they were not willing to bargain for current retirees, as current retiree benefits are not a mandatory subject of bargaining.
